

# TRANSPORT

### C S Ellis Group offer:

- Specialist double deck curtain-sided vehicles
- Courier vans to 44 tonne curtain-sided trailers with a 28 tonne payload
- Tail-lift deliveries, both rigid and articulated vehicles
- Dedicated contract vehicles in customer's livery
- All vehicles are satellite tracked for constant visibility and security
- ADR trained drivers for hazardous goods
- Trailer Hire and Stand Trailer for overnight loading on your premises or for loading at your convenience
- Driver CPC training courses

**C.S.Ellis has provided road transport services to UK businesses since 1933 and to this day road transport remains one of our core activities.**

We have great expertise in understanding our customer's needs and ensure that all loads are stacked, strapped and transported in the most cost effective and safest way.

Currently operating with a large, modern fleet of vehicles ranging from vans to 7 1/2 tonne vehicles, 26 to 44 tonne articulated curtainside trailers - all of which are maintained in our own state of the art workshop.

# TRANSPORT

Being proud members of both the UK Transport Association, Palletline PLC and the Hazchem Network enables us to provide an unrivalled service utilising the skills and experiences of a strategic network of other regional transport companies throughout the UK.

Our transport team can provide you with dedicated trailer loads or shared user vehicles for consignments ranging from the smallest of parcels to multiple loads. We can also provide return load services for customers whose goods require collection and delivery from anywhere throughout the UK and Europe.
